About us

The Young Parents Pathway is based in South Tyneside. We offer supported accommodation to single parents and families aged 16 to 25, including expectant mothers. In all our accommodation based services, young parents have their own self contained 2 bedrooomed, fully furnished flat.

You'll gain so much more than a place to live with Places for People Living+. Whatever your story, we'll help you. The aim of the scheme is to assist you in developing the skills needed to confidently maintain a tenancy, whilst creating a safe and secure environment for your family.
